

CentriFuse® Brake Drums

CENTRIFUSE® BRAKE DRUMS

THE DIFFERENCE IS IN THE DETAILS

STEMCO CentriFuse brake drums set the standard for lightweight durability, improving fuel efficiency while reducing maintenance. Proven for more than 80 years, their steel jacket technology and precision balancing provide unparalleled safety and a smooth ride.

Lightweight

Up to 232 pounds lighter than competitive options, increasing fuel economy or revenue-producing payload.

Safety

Permanently bonded steel shell provides proven resistance to heat cracks.

Longer Life

Patented alloy provides superior heat absorption, resulting in reduced fade and wear.

Precision Balanced

New mass centering process improves balance and runout for a smoother ride.

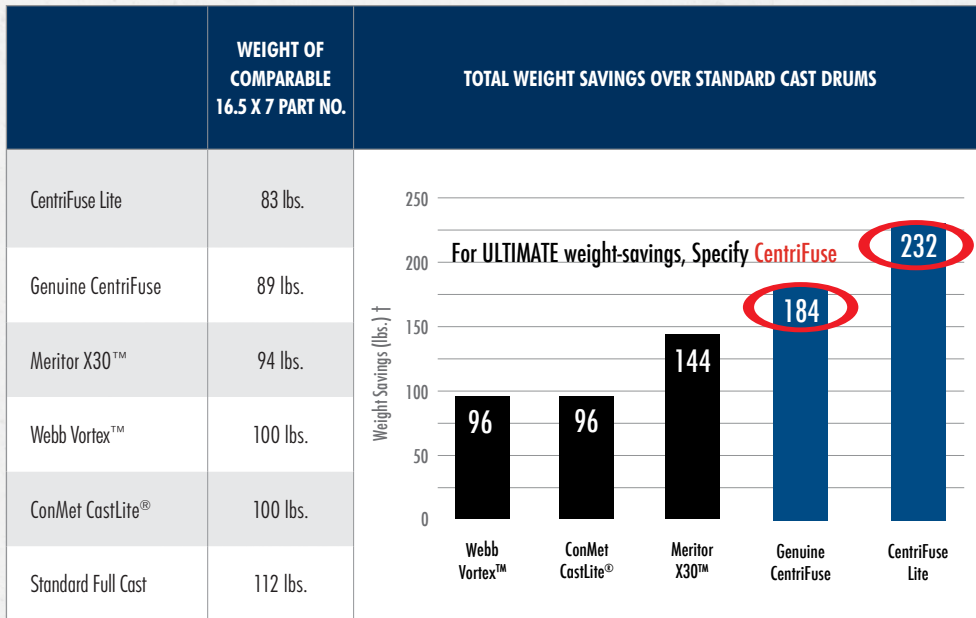

Four Configurations

Available in Lite, Original, HD and Wide options to suit a range of loads and driving conditions.

OEM Approved

Proven truck and trailer performance for both new and aftermarket applications.

WEIGHT SAVINGS

† Weight comparison based on 16.5 x 7 drums on tandem axle tractor with tandem axle trailer. X30™ is a trademark of ArvinMeritor. Vortex™ is a trademark of Webb Wheel Products. CastLite® is a registered trademark of ConMet.

WHY DID CENTRIFUSE GO BLUE?

With offshore imitation and look-a-like drums targeting the industry, STEMCO changed CentriFuse brake drums to a blue exterior (HD version is red) to ensure that customers are getting the proven quality, reliability, safety, performance, and weight reduction they have come to expect when purchasing Genuine CentriFuse Brake Drums.

For more detailed information on replacement parts, visit our Part Interchange at <http://www.stemco.com/parts> or download the STEMCO Mobile App in the Apple, Google and Microsoft app stores.

THE CENTRIFUSE FAMILY

CentriFuse Lite

The **LIGHTEST** brake drum available in the industry

- 83 lbs. (16.5" x 7")
- 20,000 axle load rating
- Weight sensitive applications
- 10 year written warranty

Original CentriFuse

Proven performance for all applications

- 89 lbs. (16.5" x 7") – Many more sizes available!
- 23,000 axle load rating
- The trusted brand with over 80 years of excellence
