

## Volume Discount Program Ending FOR DATATRAC® / DATATRAC® PRO AND MECHANICAL HUBODOMETERS

**To: Aftermarket & OES Distributors in Latin America**

We would like to thank the customers that have taken advantage of the recently announced case quantity special pricing on STEMCO Hubodometers and DataTrac products listed below. The program has been a successful jump start to 2020 for these product lines.

Please note that the special case pricing programs **will end on March 31, 2020**. Please contact your STEMCO representative with any questions.
