

AXLE • PRO • EQUIPMENT

EVERYTHING NEEDED FOR AXLE EYE REPAIR

Only the STEMCO® Axle Pro Equipment™ (APE) package offers everything needed to enhance worn axle eyes. This revolutionary piece of equipment comes with mounting brackets, a magnetic-based drill, coolant and safety equipment. When looking for an affordable, simple and quick way to enhance worn axle eyes, choose the STEMCO APE.

Complete

APE's universality allows customization to best suit shop needs and contains all components needed to enhance worn axle eyes.

Fast

Repairs can be made without removing the axle to be able to enhance the axle eyes in just minutes.

Valuable

APE's mobility enables axle repairs to be made outside the shop, allowing for a quick return on investment.

Durable

Proven revolutionary system with options that allow for continuous release of new applications.

Simple

Provides a simple, easy and reliable process to address worn axle eyes to assist in achieving maximum axle eye life.
