

## STEMCO Trifecta™ Pre-Adjusted Hub Assembly Limited Warranty

The Trifecta™ pre-adjusted hub assembly is comprised of STEMCO's Discover® XR seal, Zip-Torq® spindle nut, STEMCO bearings and may include a STEMCO Defender ESP™ or Sentinel® hub cap where applicable. STEMCO Defender ESP hub cap is included in the steer axle Trifecta pre-adjusted hub assembly and is required to be installed for warranty coverage. The trailer axle Trifecta pre-adjusted hub assembly does not include a hub cap and requires separate purchase and installation of STEMCO Defender ESP™ Plus or Sentinel hub cap for warranty coverage.

STEMCO warrants to the Buyer that all components of the Trifecta pre-adjusted hub assembly will be free from defects in material and workmanship. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. This is the only warranty offered by STEMCO and no STEMCO employee or representative is authorized to make any additional warranty on behalf of STEMCO.

The terms of the pre-adjusted hub assembly warranty are as follows:

Application // Installation	Time	Mileage
OE Installed - On Highway Truck	5 Years	500,000
Aftermarket Installed - On Highway Truck	5 Years	500,000
OE Installed - Off Highway and Severe Duty Truck and Trailer	Contact Original Equipment Manufacturer or STEMCO Sales Representative	
Aftermarket - Off Highway and Severe Duty Truck and Trailer	1 Year	100,000
OE Installed - On Highway Trailer	7 Years	Unlimited
Aftermarket Installed - On Highway Trailer	5 Years	Unlimited

This warranty excludes normal wear and tear, as well as any component which fails, malfunctions or is damaged as a result of improper installation or adjustment, accident, improper use, or improper or insufficient maintenance (including use with worn components, including but not limited to spindles).

## **STEMCO Trifecta™ Pre-Adjusted Hub Assembly Limited Warranty (cont.)**

This warranty includes the cost of repair or replacement, at the Seller's option, of the Trifecta pre-adjusted hub assembly and/or its components. STEMCO shall also be responsible for the reasonable labor cost of the repair or replacement of product. Warranty is subject to a valid, approved warranty claim with labor reimbursement to be in accordance with reasonable industry Standard Repair Time (SRT).

STEMCO's liability to Buyer, or anyone claiming through or on behalf of Buyer, with respect to any claim or loss arising out of the products or alleged to have resulted from actual loss or omission of STEMCO, whether negligent or otherwise, and whether in contract, tort, or otherwise, including, but not limited to, breach of warranty, shall be limited to an amount equal to the purchase price of the goods or parts thereof with respect to which such liability is claimed, or where appropriate and at the option of STEMCO, the reasonable cost of the repair or replacement of the goods or parts thereof.

If agreed otherwise in writing signed by STEMCO, original equipment manufacturers installing Trifecta pre-adjusted hub assembly on new tractors and trailers could be eligible for longer warranty coverage. See Warranty table for standard OE installed warranty coverages, however contact Original Equipment manufacturer or STEMCO Sales Representative for clarification of warranty coverage on Trifecta installed equipment.
