

NEW PRODUCT ANNOUNCEMENT

Stripped threads, damaged bolts, and worn-out nuts can bring your operations to a halt and pose safety hazards on roadways. Traditional repair methods? They're flawed, but not **ReSpec** — **the world's only patented thread repair technology** that works on virtually any damaged thread to bring it back to life with precision and lasting strength.

Pre-orders available starting July 8, with orders shipping in mid-August. For more information, please contact your STEMCO representative.
