

PART NUMBER UPDATE FOR *ReSpec*

Effective September 21, 2026, STEMCO will update and remove some part numbers for our ReSpec Thread Repair line. This change affects only the part number. The form, fit, function, and quality remain unchanged.

Part Number Cross-Reference

To help you update your systems, here is the cross-reference mapping for the affected items:

CURRENT PART NUMBER	NEW PART NUMBER
RSK-120X-TK	RSK-120X

OBSOLETE PART NUMBERS
RSK-120X-LTK
RSK-60120X

What You Need to Do

- **Update your systems:** Please update your internal procurement and inventory systems with the new part numbers.
- **Future orders:** Use the new part numbers for all purchase orders submitted after September 21, 2026.
- **Current orders:** Any existing orders placed under the old numbers will be fulfilled as normal.

If you have any questions or need updated data sheets, please contact your account manager or our customer support team at CustomerService@stemco.com
